

701 SAN MARCO

United States

Dec 2025

The WELL Health-Safety Rating is an evidence-based, third-party verified rating for all facility types, focused on operational policies, maintenance protocols, emergency plans and stakeholder education to address safety and acute health issues and help organizations put the necessary protocols in place for resilience and response.

WELL HEALTH-SAFETY RATING

A handwritten signature in black ink, appearing to read "RH", positioned above a horizontal line.
